CAUSE

On July 28, 2010, a request was received to modify Mr. Butkovich's conditions of supervision from U.S. Probation Officer (USPO) Robert L. Urbaniak in the District of Idaho. USPO Urbaniak has been supervising the offender since July 13, 2010.

USPO Urbaniak requests the modification to Mr. Butkovich's drug testing submission to coincide with the U.S. vs. Stephens, 2005 WL 2106158, 9th Circuit Court decision. As a result, the defendant signed a waiver of hearing agreeing to the modification of his conditions which establishes the maximum number of non-treatment drug tests at no more than 6 per month. Mr. Butkovich signed the modification in the presence of USPO Urbaniak on July 26, 2010.

Please find the attached petition to modify the conditions of supervised release submitted by USPO Urbaniak on July 26, 2010, and the Waiver of Hearing to Modify Conditions of Supervised Release signed by USPO Urbaniak and Mr. Butkovich.

In addition, USPO Urbaniak is supportive of jurisdiction in this case being transferred to the District of Idaho. This officer believes this request is appropriate, since the offender has ties to the District of Idaho. As a result, if the Court concurs with this action, the appropriate paperwork is attached to this petition to facilitate the transfer of jurisdiction.

I declare under penalty of perjury that the foregoing is true and correct.

COMES NOW Robert L. Urbaniak, Probation Officer of the Court, presenting an official report upon the conduct and attitude of Matthew Butkovich, who was placed on supervision by the Honorable Edward F. Shea sitting in the Court at Spokane, Washington, on December 19, 2002. The defendant was sentenced to 121 months imprisonment and 5 years supervised release for a violation of 18 § 2113(a) & (d): Armed Bank Robbery in Dkt. No. 2:01-00162-001; 121 months imprisonment and 5 years supervised release for a violation of 18 § 2113(a) & (d): Armed Bank Robbery in Dkt. No. 2:02-00156-001; 97 months imprisonment and 3 years supervised release for a violation of 26 § 5861(d): Possession of an Unregistered Sawed-Off Shotgun in Dkt. No. 2:02-00158-001; and 121 months imprisonment and 5 years supervised release for a violation of 18 § 2113(a) & (d): Armed Bank Robbery in Dkt. No. 2:02-00227-001. Supervision commenced on July 13, 2010, and is set to expire on July 12, 2015. As noted in the judgment, the Court ordered mandatory, special and standard conditions of supervision. The probation officer proposes the following modification to the terms and conditions of supervised release.

RESPECTFULLY REPRESENTING PETITION FOR ACTION OF THE COURT AND FOR CAUSE AS FOLLOWS:

U.S. vs. Stephens, 2005 WL 2106158, is a 9th Circuit decision which directs that a Court must establish the maximum number of non-treatment drug tests that may be obtained during a term of supervision. I understand that previously the Court imposed at sentencing: "The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as directed by the probation officer." To address this issue, the defendant has signed a waiver of hearing agreeing to a modification of conditions that establishes the maximum number of non-treatment drug tests at no more than 6 per month.

The defendant has agreed to the proposed modification as evidenced by the attached Waiver of Hearing.

I declare under the penalties of perjury that the foregoing is true and correct to the best of my knowledge. Executed this 27th day of July, 2010.
